Sir:

REQUEST FOR CORRECTED FILING DATE
AND CORRECTED FILING RECEIPT

The above-referenced application is pending. In obtaining a priority document associated with this case, Applicant has noticed that the filing date as set forth throughout the application is incorrect. Specifically, the filing date as set forth in the application is indicated as July 10, 2003. However, the application was actually filed on July 11, 2003, which was one day later. Enclosed herewith is a copy of a utility patent application transmittal setting forth the title of the application, as well as a certificate of mailing by express mail indicating the date of July 11, 2003. Also enclosed is a copy of

a postcard sent with the filing indicating July 11, 2003. Finally, the express mail receipt indicating deposit on July 11, 2003 is included herewith.

While the filing date actually gives an advantage to the Applicant with respect to a date that is earlier than one day, and thus does not appear to be detrimental to the Applicant, the Applicant would still like a correction of such information for the purposes of accuracy in the case.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
